

DETAILED ACTION

Allowable Subject Matter

1. Claims 1-4 and 6-11 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The cited prior art has failed to teach, **"a control line for controlling the gate voltage applied to the drive transistor and an address transistor connected between the control line and the gate of the drive transistor wherein a feedback system is provided between the current-measurement supply line and the control line"** in combination with other limitations of claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
